

Plainland

Freshly renovated - Available Now

This lovely little 2 bedroom home has been freshly renovated from top to bottom - new paint throughout, new tiles, lino and carpet, new curtains, New AC, new kitchen, updated bathroom and covered patio area. This property may be small but it's super cosy and ready to rent now. It is situated on 10 acres in the Plainland area, has 2 garden sheds for storage and a double open ended garage for parking. The property is fully water compliant with both a rain water tank and trickle feed tank, so water charges do apply. The property runs on a septic and grey water system as well - so nothing down the toilet that shouldn't go down there and environmentally friendly cleaning products only!

An outside pet would be considered upon application and a maximum of 2 horses only would be considered for the size of the acreage.
